## FALMOUTH LIONS NEWS & ACTIVITIES

Craig and Sue address the Club at the Jan. 12th meeting.

### Craig Winslow presents new website to Club.

Craig Winslow, a student at Falmouth High School and his teacher, Sue Palfry, gave the group a lesson in websites at our January 12th meeting. Craig, who has been working with Jim Mullin on the project, has done a wonderful job at getting the site established.

This project, the brainstorm of Mr. Mullin, is a win-win for both The Falmouth Lions Club and Falmouth High School. Craig can earn community service credits and academic credits, as the project qualifies as an independent study. And, the Falmouth Lions Club gets a well-running site for members and prospective members to use on a regular basis. The next step is to populate the site, which is the work of the WWW (We Want Web) TEAM. See next article for more details on how to help us build the best Lions Club site in all of 41L!

Special thanks to Craig, Sue and Jim for getting this great project off the ground!

### The Website Project

WWW (We Want Web) TEAM, headed by 2nd VP Dean Frost, consists of Jim Mullin, Kevin Kasserman, Aaron Tufts and Catherine Frost.

The group is charged with setting up the domain name, establishing the site's architecture, or framework, and collecting content to send to Craig.

The Team has met once and came up with the following content for the site:

## FALMOUTH LIONS NEWS & ACTIVITIES

Christmas Angels a Big Success; To be an Annual Event.

Thanks to Jim Mullin, Gloria Giordano and Polly Burke, our Christmas event was very well received again by the kids at Long Creek Youth Development Center. Here are some snippets from the kids' thank-you notes:

*"Thank you for bringing my Christmas **from nothing to something** with your donated gifts." - **Matt***

*"(Your gifts) really made the holidays go by a lot easier. It **brightened the season.**" - **Michael***

*"...Thank you for everything you did for us during the holiday season. I also would like to thank you for going through everything you did to try and **make our Christmas a good Christmas.**" - **Dustin***

## FALMOUTH LIONS ON THE LIGHTER SIDE

Our “special contribution” to February bottles income.

Be sure and bring a cleansed palate to the February 9th Club meeting as wine connoisseur Barney Scheinder will be hosting a tasting for the entire crowd.

Learn about the difference between red and white and which compliments meat and fish the best.

This should be a relaxing and fun event. It will start at 6:00 SHARP.

### Birthdays
