## FALMOUTH LIONS NEWS & ACTIVITIES

Thank you Bernie, Dean and Bill, for a month's worth of informative, interactive and fun Speaker topics.

Second Vice President Dean Frost, with help from Bill Bennett, got us all Googling at the Feb, 23rd meeting. This was excellent timing for such a presentation because our website is soon to launch.

The WWW (We Want Web) TEAM, headed by 2nd VP Dean Frost, consists of Jim Mullin, Kevin Kasserman, Aaron Tufts and Catherine Frost. If you haven't already, please get all your web information to Dean as soon as possible.

One of the last decisions we need to make is where to host the site!

Barnie shared his professional wine tips with the group at our Valentine's themed meeting. We had members bring their "better halves" and a good time was had by all. Now we all know what "it has legs" means!
